

Dear Madam or Sir,

Timofei Arefev has been a student of mine since September 2023.

Since then I have come to know Timofei as a very good student who punctually meets all deadlines. Timofei is also a great team player, who is always prepared to help his team members.

Timofei communicates well, reflects on his study and actions but also has an eye for the world around him. For instance, he voluntarily took up extra classes on A2 level in Dutch language. When I heard him speak Dutch, I was actually quite impressed of the level he acquired in just a couple of months. To me, this is also a demonstration of how he, once determined his goal, sets out to reach it.

He expressed his wish to further improve his Dutch during an internship.

I can fully recommend Timofei Arefev. I just know that, by hiring him, you will have a great, proactive and hard working intern who will blend in easily in your team.
